

Name: Gourmet Life

Description: The website will be a store for buying cheese, wine and cigars. The first page will be the home page of the store and a quick nav to what you're looking for. Pages 2-4 will be where you can buy goods. The final page will be the checkout where you can see your selections and the total cost. The cart will be viewable from any page, but to checkout it will redirect to the checkout page.

Page List:

1. Home
2. Cheese's
3. Wines
4. Cigars
5. Checkout

Information stored for each item will consist of: name, price, and location it was made. Cheeses will have a description of flavor and how it was made.
